

Telstra wishes you a Happy Independence Day with a \$200 Gift Card for new home broadband customers on Telstra's Global Bundle

For a limited time, new Telstra home broadband customers who take up a Telstra Global Bundle will now receive a \$200 Gift Card via redemption.

Telstra General Manager of Marketing, Alister Park, said "The \$200 Gift Card is an added bonus for new home broadband customers getting connected to the Telstra Home Bundle - Global which provides customers with 200 GB of high speed broadband, great international calling inclusions plus Telstra's Family Calls Benefit – all on one bill."

"Telstra couldn't have introduced the Gift Card offer at a better time with Raksha Bandhan, Ganesh Chaturthi and Independence Day all being celebrated by Indians across the globe. With Telstra's Global Bundle not only can you call friends and family and share in the festivities for as long and as often as you like, but with your \$200 Gift Card, you can feel free to spend a little extra on gifts for your loved ones at this special time."

The Telstra Global Bundle includes unlimited international calls from your home phone to mobiles and home phones in India, and to home phones in 31 other countries – including Canada, Bangladesh and UK. Plus with 200 GB of high speed broadband, you and your family can stream the entertainment you love from your favourite websites fast, while the Family Calls Benefit means you can add up to 4 eligible mobiles onto the same bill as your Global Bundle and get unlimited voice calls within Australia between all those phones.

New Telstra home broadband customers also get a high speed modem included, enabling quality Wi-Fi throughout your home. And you get all this for just \$100 per month for 24 months (min cost \$2,459 including \$59 activation fee) – add the \$200 Gift Card if you're a new Telstra home broadband customer, and it definitely makes it one of Telstra's best deals on offer.

"The \$200 Citibank Visa pre-paid card can be spent how you want and the offer is only available until 1st of September 2014. So make sure you don't miss out. We wish you all a Happy Independence Day!" said Mr. Park.
